From The Secy to the Hon'ble the Resident
F. 120 (A) – 40 (2) W & 28th Govt. 41
re: permission for Dr. Hans Beer to change
residence from Bangalore City to Trichinopoly.

Subd for perusal with a draft to the
Govt. Dr. Hans Beer is a Doctor working in
the St. Marthas Hospital. He was first
interned in Sept. 1939 as soon as the War
broke out but was subsequently released
on the recommendation of the Darling Committee,
since he was an Austrian Jew. He was not
re-interned and he has been working in the
Hospital, subject to the usual restrictions imposed
by the Civil Authorities. It is seen that he is
permanently changing his residence to Trichinopoly
to do medical missionary work. The papers have
been sent to the Govt for information.

Enemy Foreigner - Dr.Hans Beer -
Permission to change residence from
Bangalore City to Trichinopoly.

SIR,

I am directed to forward a copy of a letter from the District Magistrate, Trichinopoly to the Government of Madras, No.R.C.45-W/41, dated the 7th June 1941 and enclosures, regarding the transfer of Dr.Hans Beer, an Austrian Jew, from Bangalore City to Trichinopoly.

2. I am to say that the Government of Madras have no objection to the transfer of Dr.Hans Beer to Trichinopoly provided the religious order to which he will attach himself at Trichinopoly is prepared to vouch for him.

him. They have been asked to intimate urgently whether he may now go to Trichinopoly.

I have the honour to be,
Sir,
Your most obedient servant,

for SECRETARY TO THE RESIDENT.

Copy of letter No.R.C.45-W/41, dated 7th June 1941, from the District Magistrate of Trichinopoly.

Enemy Foreigner - Dr.Hans Beer - Jewish Austrian.

The Superintendent of Police, Bangalore City has asked for my opinion in the matter of transferring the registration of Dr.Hans Beer, an Austrian Jew, to this District. I enclose a copy of the Superintendent's letter and the original letter from Dr.Beer.

Dr.Beer is an Austrian Roman Catholic of Jewish descent. He is not a priest, but he has missionary inclinations. I have ascertained from Rev.Fr.S.M.Lourdes Raju referred to in Dr.Beer's letter that he is willing to have Dr.Beer in Trichinopoly, to give medical aid to his parishioners. Dr.Beer would live with Rev.Fr.Raju in his bungalow. I gathered that Dr.Beer was not satisfied with his present somewhat high class work at St.Martha's Hospital in Bangalore, and was anxious to do work amongst the poor. Hence his request to Rev.Fr.Raju to arrange this work for him in Trichinopoly. The Rev.Fr. will undertake the full responsibility for Dr.Beer.

I see no objection to the transfer of Dr.Beer to Trichinopoly, and I shall ascertain from the Superintendent of Police, Mysore, to what restrictions if any Dr.Beer was subject there. I shall then impose suitable restrictions on his movements in Trichinopoly, if necessary.

I request to be informed whether it is in order for me to accept this transfer of an enemy subject from Mysore State to this Province.

----:O:----

Copy of letter No.47-JR/10-41 dated 22nd May 1941 from the Superintendent of Police, Bangalore, to the District Magistrate, Trichinopoly.

In enclosing herein the letter in original from Dr.Hans Beer, Jewish (Austrian) holder of Registration Certificate No.17 of Bangalore City, requesting for permission to settle himself permanently at Trichinopoly, I have the honour to request you to kindly furnish your opinion in the matter of transferring his registration to your district.

Copy of letter from Dr.Hans Beer, St.Martha's Hospital, Bangalore, dated 21st May 1941.

----:0:----

I beg to inform you that my engagement in St.Martha's will be finished with the 1st June and will not be prolonged.

I get to-day a second letter of Fr.Lourde Raju, Parish priest in Trichinopoly. There was a mistake before. The bishop thought that he had first to open a hospital to find a place for me and refused and I had to cancel my application. As things are now clear I beg to grant me permission to leave Bangalore on the 1st June for permanent stay in Trichinopoly and living with Fr.Lourde, to do medical missionary work.
